**Project: DEVELOPING GLOBAL LEADERS FOR DEVELOPMENT:
Empowering Future Generations for Sustainable Change in
Africa**

RPG-AFRICA MISSION STATEMENT:

Rescue the Perishing Generation Africa is an organization established with the driving force toward the development and promotion of girl child education and empowering woman that are living substandard life in the rural areas of Africa.

Rescue the Pershing Generation Africa is a Non - Governmental oriented organization that entirely working with local-based authorities and the indigenous people. RPG-AFRICA's especially working tirelessly to support the vulnerable children and women in sustainable peace and development for the betterment of Africa and the future generation. Furthermore, Rescue the Pershing Generation Africa has also created a room for its people to feel values in the society and the love of working with the less-privileged children to achieve their full potential with dignity and become wanted in their various communities.

Rescue the Pershing Generation Africa is a young generation organization set-up to promote girls' child education with the encourage to prioritize education. As Nelson Mandela once said, Education is the only tool you can use to change the world, in changing or transforming the world through girl child education, as the greatest decision for every wise parent. Meanwhile, this is exactly the main aim

of Rescue the Pershing Generation Africa with the determination of promoting girls' child education and women empowerment. As an Organization, we are also desiring of working with other Non-Governmental organizations which may have similar values and vision we are not only limited to rural education, but we are also exercising some interests in the combating of rape and the abuse of girl children in Sierra Leone and Africa as a whole as, especially for those in the rural areas.

During our recent local visibility studies on rape and early teenage pregnancy over 60% of our young girls are victims of rape and early teenage pregnancy. Our focus as an Organization is to put an end to those negative attitudes of some of our countrymen and to discourage poor families to stop taking the bride price for their underage children (teens) in the name of handling their young girls in marriage this happened because of the poor living conditions of our local people. And Rescue the Pershing Generation is hardly working to achieve its dreams and goals. Building AFRICA on a solid foundation is the focus of Rescue the Pershing Generation Africa.

Aims of DGLD:

Fostering Generational Thinkers for Africa's Prosperous Future

The core mission of the Developing Global Leaders for Development (DGLD) project is to cultivate a generation of forward-thinking children and youths who are wholeheartedly dedicated to the progress and development of Africa. By instilling a profound commitment to advancement in each young individual, DGLD aims to create a legacy of prosperity that will benefit countless generations to come.

Empowering Children and Young People as Visionary Thinkers:

At the heart of the DGLD project lies the commitment to nurture children and young people as exemplary generational thinkers. Through innovative educational initiatives and community engagement programs, DGLD seeks to equip the youth with the knowledge, skills, and mindset needed to tackle Africa's most pressing challenges effectively. By encouraging critical thinking and problem-solving abilities, DGLD aims to build a generation that continuously seeks out innovative solutions for the continent's growth and prosperity.

Fostering Proficiency in Peace and Development, Rejecting Corruption and War:

As DGLD guides children and young people towards becoming leaders of the future, emphasis is placed on instilling strong values of peace, development, and integrity. The project actively works to counteract the corrosive influences of corruption and conflict by promoting ethical leadership and encouraging young minds to actively pursue sustainable development practices. By nurturing a culture of transparency and accountability, DGLD aims to create a generation that champions peaceful and constructive paths to progress.

Transforming Young Individuals into Globally Recognized Leaders:

DGLD envisions a future where the children and young people it engages will emerge as outstanding global leaders, admired for their dedication to positive change and their unwavering commitment to serving humanity. Through mentorship programs, leadership development workshops, and international exposure, DGLD seeks to nurture the potential within each young participant, enabling them to become influencers on the world stage. By empowering young minds to dream big and aspire to greatness, DGLD aims to produce leaders whose impact will be felt far beyond the borders of Africa.

Targeted Areas of Impact:

To achieve its vision, DGLD actively collaborates with diverse stakeholders, including communities, schools, churches, mosques, universities, governments, and political parties. By working in conjunction with these vital institutions, DGLD endeavors to identify and engage with children and young people across the African continent, reaching out to a diverse range of backgrounds and perspectives.

Beneficiaries:

Nurturing the Future of Africa - Children and Young People (Youths)

At the heart of the Developing Global Leaders for Development project are the young individuals whose lives will be transformed through this initiative. By empowering children and young people (youths) with the necessary skills, knowledge, and values, DGLD aims to create a brighter and more prosperous Africa for all. As the beneficiaries of this program, these young leaders will carry the torch of development, leaving a lasting impact on their communities and driving transformative change across the continent.

Duration of the Project:

The RPG-Africa DGLD is a fixed-duration project with a well-defined timeline.

Activities Involved in the Project:

- **Community Outreach Programs:** Engaging with local communities to promote the values of development, peace, and ethical leadership among children and youths.
- **School and University Outreach Programs:** Conducting educational initiatives and workshops in educational institutions to foster critical thinking and visionary mindset among students.
- **Church and Mosques Outreach Programs:** Collaborating with religious institutions to spread the message of positive change and encourage ethical leadership within their congregations.
- **RPG-Africa DGLD Camps:** Organizing specialized camps to provide immersive leadership training and skill development for young participants.
- **RPG-Africa DGLD Summits:** Hosting gatherings of young minds, thought leaders, and experts to exchange ideas and develop actionable strategies for Africa's progress.
- **RPG-Africa DGLD Conferences:** Conducting conferences that bring together prominent figures from various sectors to discuss and promote sustainable development practices.
- **RPG-Africa DGLD Training:** Offering tailored training sessions to equip children and youths with the tools needed to become influential global leaders.
- **RPG-Africa DGLD Radio and TV Programs:** Utilizing mass media platforms to disseminate messages of positive change and showcase success stories of young leaders driving development.
- **RPG-Africa DGLD Sports:** Harnessing the power of sports to instill values of teamwork, discipline, and perseverance among young individuals.

- Through these diverse activities, the RPG-Africa DGLD project aims to create a lasting impact and lay the foundation for a brighter future for Africa and its young generations.
- To supply school materials and to support students who are orphans in University

Starting of the project:

This project is currently going on we just need funding(support) and we want to supply school materials to our orphans in Sierra Leone .

We have 100 orphans we are currently taking care of, we have those in high school, and out of the 100 orphans we have five that we want to support to enroll in the university this academic year.

Budget:

Budget for the spreading of this project all over Sierra Leone and to supply our school materials including supporting our five orphans to enroll into University in Sierra Leone:

Total: \$ 20, 000
